Therapeutic Recreation

The TR Branch Out Volunteer Program was awarded the Champion Team award at the annual Arkansas Recreation and Parks Association conference. This award honors a group or organization whose efforts as a volunteer made a significant contribution to parks and recreation in the state of Arkansas. Nominees may include businesses, nonprofit organizations, or others whose time, expertise, and/or labor is donated and unpaid. Nominations may be made in recognition of the nominee's cumulative service or for their efforts on a single project or activity that has created benefit for parks and recreation at the local, regional, or statewide level. The TR Branch Out groups volunteers within their community to include working with the Little Rock Zoo, Little Rock Parks and Recreation, Little Rock Marathon, community events, etc.

Coming into the month of November we will be getting prepared our Annual Therapeutic Recreation Thanksgiving Potluck/ Cooking class. Participants bring their recipe and ingredients to create a family style Thanksgiving meal with friends located at the Ottenheimer TR Center on November 21st. We will have a workday at the Little Rock Zoo on November 14th. Our new program, Time Out for TR, will take a trip to Mount Magazine on November 15th. This gives participants an opportunity to explore outside their community and add new areas of leisure interest and education to their life. We will also be preparing for our Annual Christmas program set for December 19th at the Fellowship Bible Church in partnership with their Embrace Special Needs Ministry.

***Logan's Run took place on October 5th at 10am at Murray Park it was dedicated to the memory and legacy of Logan Bussard, Little Rock Parks and Recreation Therapeutic Recreation Specialist that passed on March 31, 2024. This This event was created in partnership with the Little Rock Marathon.

Jim Dailey Fitness & Aquatics

MEMBERSHIPS

In October 2024, the facility sold a total of 1,643 monthly memberships, marking an increase from the 1,343 memberships sold in October 2023.

FITNESS

In October, Jim Dailey Fitness and Aquatic Center introduced a new Pilates class. Pilates is a low-impact exercise method focused on strengthening muscles while improving postural alignment and flexibility. Developed by Joseph Pilates in the early 20th century, it emphasizes core strength, controlled movements, and mindful breathing. Classes typically involve a series of mat exercises or equipment-based workouts, targeting various muscle groups. Pilates is suitable for individuals of all fitness levels and can enhance overall body awareness, stability, and balance, making it a popular choice for those seeking a holistic approach to fitness., which is held on Tuesdays and Thursdays at 6:00 PM. The class attracted a total of 56 attendees throughout the month.

SPECIAL ACTIVITY

From October 14th to 18th, Jim Dailey Fitness and Aquatic Center hosted an inspiring Breast Cancer Awareness Week filled with engaging activities to raise awareness and support for those affected by breast cancer. We're thrilled to share the highlights of this impactful week!

Laps for the Cure: Participants walked or swam laps to show their support, embracing fitness and community spirit.

Guess for the Cure: Visitors had fun guessing the number of candies in the jar, with all proceeds going towards breast cancer initiatives.

Dress for the Cure: Our center turned pink as everyone donned their best pink outfits, standing in solidarity with those impacted by breast cancer.

Drink for the Cure: Attendees enjoyed refreshing cups of pink lemonade, raising awareness with every sip.

Cookies for the Cure: Delicious cookies were available, with proceeds supporting breast cancer organizations.

Each activity offered a wonderful opportunity to connect, show support, and make a meaningful difference. We are proud to have opened our doors to all visitors and members, making Breast Cancer Awareness Week a tremendous success.

On October 27th, Jim Dailey Fitness and Aquatic Center hosted a Trick or Swim event. With 47 participants in attendance, the day was filled with festive fun and aquatic adventures. Attendees enjoyed themed activities, games, and, of course, plenty of treats. The atmosphere was lively, with costumes adding to the excitement. A fantastic time was had by all, making it a memorable Halloween celebration at the pool. For the month of October, Baptist Health Community Outreach conducted monthly blood pressure checks and also provide flu shots for our members and visitors, with a total of 18 individuals taking advantage of these services.

The Centre at University Park

The month of October was successful, we kicked it off with a monthly work order meeting with 24 in attendance. As we geared up for this next week to come, we set the standard for our upcoming event that the procurement team put on. It was a hit, and the mark was made for everyone. We had a beautiful turnout of 220 people from far and local, it was filled with learning, fun and wonderful eateries from different food trucks. The procurement team said they loved working with us here and they're ready for next year. We proceeded to make it happen for others and making sure we keep the facility nice, clean and presentable. Week after week we had small group meetings and bigger group meetings, from NUSA with 15 members, Parks benefits Information meetings with a total of 25 people on all three days combined. We also had another awesome event with the Hunger Relief Foundation to end college hunger with a 175-college representatives and students to show support for their schools. It was a hit, and everyone are ready for another one. As we continue to grow in number, we strive to keep everything beautiful and remain ready and willing to work.

Youth Athletics

Youth Volleyball Season was completed this month, games were played at Dunbar Community Center on Monday & Tuesdays, for youth 4 - 7grades. There were 8 teams/70 players. Most of the community center players participated in a pre-season skills & drills clinic. Cheerleaders from Stephens Community Center cheered at several volleyball games. Registration is open for cheer and basketball. Kudos to all the staff at all centers for continuing to ensure everything is running smoothly.

Adult Athletics

Interstate Park Program/Alsop

Field Rental reservations has stayed steady for the youth football league requesting ball field rentals with lights.

Adult Softball Program

Interstate Park has completed its adult fall ball coed league with team WK defeating Kings and Queens of the Diamond by the score of 15-7.

Summer Playground Program

We are working on making the summer playground program more enjoying for the summer of 2025.

First Tee Golf

Fall is in the Air. This month we were able to get the historical marker put up on the site where the original Concordia Country Clubhouse was from the late 1800s and early 1900s. If you have not had a chance to come out and see the site, it's incredible. We plan to do some landscaping with some of the funds that are left over from donations around the marker and place a couple of benches there for people to sit. National Golf Day was on October 4 and we ran our twilight special all day long that day, which is \$20 with the golf cart per person. On October 12, we did a tournament on par three which was a parent-child tournament for a family who lost their little nine-year-old daughter to a brain tumor disease. The tournament is called Par Three for DIPG. It was a great success. Friends and family showed up and had a wonderful time. They played games before each hole such as pie face, limbo, and soccer. This made it very enjoyable for the kids who had never played the game of golf before, and the family was able to raise over \$15,000. Clint and I had the pleasure of meeting Mr. Tom Clark. Mr. Clark is a well-known Golf Course architect who in his career has completed nearly 100 new course projects and more than 250 remodeling projects. Two of which are our very own, Rebsamen Golf Course and First Tee Golf Course redesign. It was great talking and riding around with Mr. Clark and talking to him about why he designed certain golf course areas the way he did. It was also nice to be able to show him the course currently and get his thoughts and suggestions on what we could do for future projects. As we get into the slower growing season, our maintenance staff has been focusing on tree trimming and blowing leaves on the golf course and around the property. As of today, we are at \$284,539.33 in gross sales. This is an increase of 11.60% from this time last year. We have done a total of 19,514 transactions with an average net sale of \$14.47. Golf carts remain are number one selling item at \$105,547.87. As we go into the winter months, we do expect revenue to slow down some, but we are only about \$5,000 from meeting last year's total revenue.

Rebsamen Golf

We had over 64 ladies in attendance for our weekly lady's day for the month of October. Revenue for 2024 is up 5% over 2023. On 10/07 we had 100 golfers in attendance for the Catholic Charities golf tournament. 10/10 we had 24 ladies in attendance for our RWGA Guest Day. 10/11 and 10/12 we hosted the Central Arkansas Pro-Am. October 25 Raising Alexander Charity Golf Tournament was held.

Rebsamen Tennis

USTA Combo season now in full swing, have over 30+ teams using Rebsamen as their home courts this fall. 1000 player pickleball tournament next fall (they tape the lines on tennis courts), confirmed, will have exact dates soon. ATA 65 and over state tournament this month. High school tennis finished. We also hosted a small middle school season, using the courts 5 days a week after school. Rebsamen specific leagues are currently playing Monday and Thursday nights (over 30 players in Monday league). Raul and Janan's groups working, fall classes in full gear. Working on new Rebsamen women's leagues both singles and doubles.

MacArthur Museum of Arkansas Military History

Museum attendance for October was 4,503. This total includes: (1) on-site visitation, (2) special events, (3) virtual programming through the museum's mini-documentaries and interviews, and (4) off-site programming and outreach. On-site visitation included 759 walk-in guests and 2,101 visitors to special events, tours, etc. during the month. In addition to Arkansas, visitors came from 30 states – Alabama, Alaska, Arizona, Florida, Georgia, Idaho, Illinois, Indiana, Iowa, Louisiana, Maine, Maryland, Massachusetts, Minnesota, Mississippi, Montana, Nebraska, Nevada, New Hampshire, New Jersey, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, Tennessee, Texas, Utah and Nevada – as well as from Costa Rica, China, Germany, the Netherlands, the Philippines, Poland and New Zealand. The museum's virtual documentaries/interviews received 530 new views during October for a total of 5,359 views for 2024. Off-site programming included 350 youth and parents at the Old State House Museum's Homeschool Resource Fair on October 3, 50 college students at UCA's Public History Job Fair on October 10, and 275 adults at the Museum of Discovery's "Science After Dark" event on October 10. Total attendance for the first ten months of 2024 is 37,517. Museum staff continues to present off-site programming to children at Dunbar and Stephens Community Centers as part of the museum's After School program. During October, 358 children received instruction through this weekly outreach with an additional 80 students through the monthly

outreach at J.A. Fair K-8 Preparatory Academy through the 21st Century program. The museum raised over \$7,091 in October through donations and special events such as the Arkansas Paranormal Expo, bringing its total fundraising in 2024 to \$30,489. Total gift shop sales for October were \$1,137.53 for a total of \$9,756.55 for 2024. The MacArthur Park Group is finalizing plans for the design competition for a new shade structure for the MacArthur Unleashed dog park. A group of judges will review submissions on October 29 followed by a public preview for the designs on November 13 at the MacArthur Museum of Arkansas Military History. Attendance for the October 15 “Movies at MacArthur” film *Command and Control* was 86. Attendance for the film program this year is 565 and has already broken last year’s attendance of 517. The next movie, *Elvis and the USS Arizona* is scheduled for November 19. The film deals with Elvis Presley's role in raising money for the memorial to the *USS Arizona* in 1961. Staff has finalized the schedule for the 2025 season and will unveil it at the November movie. Approximately 300 persons attended the 11th Annual Vintage Military Vehicle Show on October 12. The event featured military vehicles from members of the Arkansas Military Vehicle Preservation Association, as well as exhibitors of military memorabilia. Hot dogs and chips were provided by Home Instead and Pinnacle Legacy Law. Bluebell Creameries and Central Arkansas Water provided ice cream and water. Photos from the event are included in the link below. A photo of the event as also featured in the Sunday, October 13 issue of the *Arkansas Democrat-Gazette* (see attached).

The museum was one of eight sites for this year’s Big Boo!seum Bash on October 24. The Jacksonville Museum of Military History and the Visitors Center at Curran Hall joined the museum to offer activities and candy for participants. Other museums participating in the event this year were the Old State House Museum, Mosaic Templars Cultural Center, the Museum of Discover, Arkansas Museum of Fine Arts, Firehouse Museum and Hostel, Historic Arkansas Museum, and the Witt Stephens Nature Center. Approximately 500 children and parents stopped by the museum during this year's Boo!seum. Over 865 persons attended the 13th Annual Arkansas Paranormal Expo on October 26-27. The event featured vendors and speakers on various paranormal topics, with all proceeds benefitting the museum. The museum received approximately \$6,000 from the event. The event was featured on a new segment from Channel 7 on Saturday evening and Sunday news shows. An article on the expo appeared in the Monday, October 28 issue of the *Arkansas Democrat-Gazette*. See the link below.

Outdoor Recreation

I was the MC for the Creep & Crawl run on 10/19/24. There were approx.1000 participants. I had a disc golf Pop-up event on 10/16/24. The turn-out was lower than usual due to cool, rainy weather. The event was free-of-charge and ran from 9am-4pm. The events were well received by the public, who have continued to express their gratitude for the pop-up events. Because of my vacation, I only lead 2 mountain bike rides in October. I will continue to offer rides through the Fall and Winter. Met with the event coordinators of War Memorial Stadium to discuss having disc golf in the stadium. They are very interested in the idea. The plan is to have events starting in Spring '25. I have been leading walks in the park at MacArthur Park. Attendance has been sporadic, but participants have expressed their gratitude for the program. There have been 100 flyers put out to promote the November 16th trail run event (Squatch Till You Drop) taking place at Allsopp Park. Registration for the November 16th trail run event has been open for over a month. Registrations are slowly coming in. Currently, there are 26 participants signed up. The goal is to have at least 50 participants. I have been working on pre-event logistics for the November 16th trail run, which includes Promotion (flyers, social media posts and a radio PSA on Parks’s radio station KWCP), race day operations, safety protocols, making awards and ordering supplies.
