

LR Parks & Recreation Parks Commission Meeting Report
Parks & Recreation Safety
Presented by Courtney Perry - Safety and Training Coordinator

June 4, 2024

Parks System Safety

- Running total of all safety hazards discovered as a result both scheduled, periodic and/or ad hoc safety inspections as of January of 2017 generated 946 total hazards to date: 972/81% of these have been addressed via Parks maintenance and/or contractors; 176/18% remain and are either actively in progress or on the deferred maintenance list to be addressed ASAP

Safety Education and Training (SE&T)

- May's organization-wide monthly Safety Education and Training (SE&T) push that employs either/or both electronic/face to face (F2F) modes garnered 68% response rate
 - Continued re-enforcement effort with facility leadership to ensure 100% compliance with monthly SE&T aimed at increasing division and organizational safety awareness

Automatic External Defibrillator (AED)

- May's monthly facility AED inspections per CINTAS contract agreement in combination with facility personnel checks yielded 63% inspection rate.
 - Working with CINTAS to ensure 100% monthly checks per agreement
 - Continued re-enforcement effort with facility leadership to ensure 100% compliance with AED monthly operational checks

Divisional Facility Safety Inspections

- May's Parks facility inspections by designated facility staff yielded 55% inspection rate.
 - Continued re-enforcement effort with facility leadership to ensure 100% compliance with proactive safety inspections
