First Tee Golf

Spring is in the air, and the golf season is progressing smoothly.

We have been quite busy here at First Tee over the past month. The Day at the Masters Tournament was a tremendous success, held on our par-3 course. This parent-child event is one of my favorites to participate in. Despite the heavy rain this month, we were able to host the US Kids Tournament on the 13th, which attracted over 80 participants, along with family and friends from across the state and nearby states.

We have begun exploring the proposal for building a cart barn to house our golf carts. Director Couch, along with the designer and staff from the First Tee of Central Arkansas, have met several times regarding this project. It also involves a private donation from a family to the First Tee organization, which will help fund a pavilion on the driving range for the First Tee of Central Arkansas. We are very excited about this development.

Rounds of golf continue to increase as we see many new faces visiting our facility. More people are not only practicing on the driving range but are also playing the course because they have never experienced it before. As I always say, word of mouth is critical in golf. If you have good greens and fairways, they will come.

I want to give a huge shout-out to our maintenance crew and the Urban Forestry Division for their efforts in cleaning up the seven trees we lost during the storms earlier this month. This demonstrates how effective communication and teamwork can be. I would also like to recognize staff member Larry Lance for his attention to detail with the flowers around our building. Larry takes great pride in keeping the flowers healthy, watered, and trimmed. A good first impression is essential for any facility.

Additionally, I want to commend staff member Jerry White, who has gone above and beyond to help pick up golf balls on the driving range, especially when we are shorthanded or preparing for an event. This level of commitment and pride is what makes having a good staff so important.

The Monk Wade Junior event, hosted by the Arkansas State Golf Association, is scheduled for May 10 and 11. This is a significant junior event for Central Arkansas, bringing together over 100 youth and their families from surrounding states and throughout Arkansas for a big two-day tournament.

As we continue to strive for success in 2025, I am looking forward to the coming months filled with warm days, sunshine, and happy faces. Something I love seeing every day here at First Tee. If you haven't visited First Tee lately or ever, I invite you to come out, check out our facility, and bring your golf clubs!

Rebsamen Golf

There were several rainy days this month. On April 24 and 25 we hosted the Catholic High School Father Tribou Memorial 4 Person Scramble with 308 golfers in attendance. April 26 and 27 we hosted the Bruce Jenkins Memorial Junior Golf Championship which had 75 kids in attendance. April 29 and 30 we host the women's ASGA designated tournament, the Eclectic, with 54 golfers in attendance. The RWGA (Rebsamen Women's Golf Association) continues to play each Wednesday every month there has been 60+ ladies participating despite the rainy days.

Rebsamen Tennis

April prime month for team tennis. Lots of USTA team matches throughout the month with the season ending in mid-May. Seven rainy days in April so we are also trying to make up rained out team tennis matches as we get through May. We currently have over 50 USTA spring team tennis teams playing their seasons with Rebsamen being their home courts (our courts will be completely full-on weeknights and Sundays until mid-May with team tennis). Our second tournament of the year, the Little Rock L4 national tournament over Easter weekend, had about 200 participants from 20 states including as far as California. Rain affected the tournament for $\frac{1}{2}$ a day but still overall success. We had a tennis mixer on April with 12 players, the goal is to continue to have one of these about once a month as they continue to grow. The first adult tournament of the year, the Rock City Rally (April 4-6), had about 100 players, mostly from in town, good success. Raul and Janan's programs are now currently going strong Rebsamen Monday singles league continuing but with smaller numbers through team tennis season Monday "Lasso" men's doubles league on Monday nights has begun and runs through October (entering its 26th year). Little Rock Open men's professional tennis tourney is May 25-June 1, 2025.

***As a reminder, there was a fire on Wednesday, March 19 in the woods behind courts 8-12. We had to evacuate the facility around 5:00 PM as the fire approached the back of courts 9-12. Fire department were able to get the fire out right before it got to those courts. We lost a few windscreens on those courts but were overall lucky as it could have been much worse. The area is very burnt back in those woods that stretch towards Boyle Park Rd. It continued to smolder for several days but gets better each day.
