Therapeutic – The Therapeutic Recreation Division is in the final stages of planning the ***21st*** ***Annual Therapeutic Recreation Arts Festival.*** This event is for children with disabilities to enjoy an event designed especially for them and includes make it-take it crafts, hands on experiences and games, a magician, a dance contest and much more. ***This year's event will take place on Friday, May 5 and will be housed at the Hall of Industry at the Arkansas State Fairgrounds.*** All booths are provided by agencies, businesses and organizations in the community that support or work with the disability population so it provides a wonderful opportunity for teachers, parents and students to network and learn about services available in their area.

The Branch Out group, adult day program, volunteered with the Riverfront Maintenance crew to help with the flowerbeds in front of city hall. They also once again volunteered with the Little Rock Marathon to unwrap medals. This is a long standing volunteer venture for this group and they look forward to it each year.

Youth Summer Day Camp registration opens on April 10th. TR Summer Day Camp dates are June 12-July 21st and will be located at War Memorial Clubhouse.

MacArthur Military Museum –

- Museum attendance for March was 3,680. This total includes: (1) After School programming to students at Dunbar and Stephens Community Centers and 21st Century Program outreach at West Central Community Center, (2) Off-Site programming at the Bald Knob High School History Fair and the Little Rock Marathon Expo, (3) On-site visitation, and (4) Virtual Programming through the Reading Brigade children's program and the museum's virtual mini-documentaries and interviews.
- 2. The museum continued its 2023 "Movies at MacArthur" film program in March with the documentary *The Hello Girls*. The film examined efforts by the U.S. Army Signal Corps in 1918 to send 223 women to France as telephone operators to help win World War I. By war's end, they had connected over 26 million calls and were recognized by General John J. Pershing for their service. The April "Movies at MacArthur" film, *Unsettled History: America, China and the Doolittle Tokyo Raid*, is scheduled for April 18, which is the 81st anniversary of the raid. In conjunction with the movie, the museum will debut a new exhibit on the raiders, *From Shangri-La to Tokyo: the Story of the Doolittle Raiders*. Special guest at the movie will be Jeff Thatcher, whose father David was one of the original Doolittle Raiders. Movies are shown the third Tuesday of each month through November with free admission, popcorn, and beverages for all screenings.
- The museum is preparing to host two traveling exhibits in the next few months. *Manufacturing Victory: The Arsenal of Democracy* will be on loan from the National World War II Museum from May 19 - September 4. Presenting sponsor for the exhibit is Stephens Inc. *The Color of Freedom: Honoring the Diversity of America's Servicewomen* will come from the Military Women's Memorial in Arlington, VA and will be on display from June 17 through August 26. Presenting sponsor for *The Color of Freedom* exhibit is AARP Arkansas.
- Museum staff has been working with Parks design and construction teams to install additional lighting in MacArthur Park, replace banners on light poles throughout the park, and on relocation of benches from the north lawn. Staff is also working with the MacArthur Park Group on planning for the MacArthur Park 5K race on May 5.

First Tee:

- A lot has been going on here at First Tee to start the year. We have implemented a new POS system that brings more data and can implement loyalty points to the customers. This also allows us to have online paid reservations. Along with the new POS system, we hosted the U.S. Kids tournament with kids from all over the state. A total of 75 players attended this event. We also just had the event here last Saturday, April 8th called ‘A Day at The Masters’, where we have about 50 junior golfers

along with a parent or guardian who played with them on our Honors Course. This great event was themed around being at the Masters Tournament along with having the actual food from the Masters.

- We have been prepping the course for the golf season by looking at removing some trees on areas of the course around tee boxes and greens where we need sunlight. This is important for us to be able to grow grass on these areas of the course for golfers to hit from. The maintenance have been hard at work clearing drains, spraying pre-emergent on grounds, and prepping the equipment for cutting season.
- We look to start soon on having a redemption program set up for the loyalty points that customers are accruing.
