# Operations Division Monthly Report

**Month:** July 2026

---

# 1. Department Highlights and Achievements

## Maintenance Division

### Urban Forestry

- Completed tree removal in the north section of Allsopp Park to prepare the site for the new sculpture installation.
- Responded to and safely mitigated a large tree failure at MacArthur Park to address public safety concerns and restore the affected area.
- Responded to four Code Enforcement requests, providing tree inspections, evaluations, and recommendations to support compliance and public safety.

### Mowing Crew

- Continued the scheduled citywide mowing cycle to maintain parks, athletic fields, and other landscaped areas.
- Completed setup and preparation for park and facility reservations, ensuring sites were ready for scheduled events and public use.
- Mowed and prepared event areas for the 30 Crossing event, providing a safe and well-maintained venue for participants and attendees.

### Horticulture

- Completed mowing and field setup at Interstate Sports Fields to prepare the complex for scheduled athletic events and public use.
- Mowed and maintained the Crump Park splash pad area, ensuring a clean, safe, and welcoming environment for visitors.

- Performed landscaping, grading, and dirt work around the new Allsopp Park playground to improve site appearance, drainage, and overall accessibility in preparation for project completion

.**Trail Crew**

- Removed hazardous and damaged trees at Allsopp Park and along the Rock Creek trail corridor to improve public safety and trail accessibility.
- Completed scheduled mowing along the City's trail system, including the River Trail, Boyle Park, and other designated greenway corridors.
- Prepared the Allsopp Park trail system for its grand opening by completing final maintenance, cleanup, and site readiness activities.
- Performed weekly trash collection and general litter removal throughout Murray Park to maintain a clean, safe, and welcoming environment for park visitors.

**Downtown District**

- Completed final landscaping and event setup for the Allsopp Park playground grand opening, ensuring the site was prepared for public use and the dedication ceremony.
- Assisted with site setup and event preparation for the 30 Crossing Event, including facility and grounds readiness.
- Performed irrigation system repairs at Natural Steps Park and Murray Park to restore proper watering coverage and support healthy turf and landscape conditions
