Subject: Recognition for Darrius White

Good Morning,

I just wanted to let you know that Darrius White was very helpful at Saturday's picnic. Whatever was needed, he was there to assist. He was very knowledgeable and helped direct the flow of traffic throughout the park for the additional activities that were offered, including the gaming truck, bull riding, snow cones, and more.

His assistance and willingness to help were truly appreciated and helped everything run smoothly.

Thank you,
