

Year in Review

Graham Brown | Parks Data and Marketing Coordinator

Mission and Vision

Mission Statement

Little Rock Parks and Recreation is dedicated to encouraging **healthy lifestyles** by providing **quality recreation opportunities** and **access to exceptional park experiences** in an **efficient** and **equitable** manner.

Vision Statement

Creating a City in a Park through **innovative recreational programming** and **vibrant park spaces** which **enhance the quality of life** for all residents of Little Rock.

Recreation

Administration

Professional Certifications Received by Staff:

- Aquatic Facility Operator Certifications (5)
- Certified Tourism Ambassadors (11)
- CPR/AED Certification (16)
- Certified Parks and Recreation Professional: (CPRP) (1)
- Certified Parks and Recreation Executive: (CPRE) (1)
- Certified Playground Safety Inspector (CPSI) (4)
- ADA Coordinator Training Certification (1)
- Non-Commercial Applicator License (3)
- ISA Certified Arborist (1)
- National Council for Therapeutic Recreation Certification (1)

Administration

This year, the department focused on aligning spending more closely with priorities and pacing expenditures throughout the year. As a result, we closed 2025 in a stronger budget position than 2024, with more capacity to address year-end needs and plan ahead for 2026.

As of December 1, **2024**:

\$75,789 remaining in budget (1%)

As of December 1, **2025**:

\$266,615 remaining in budget (5%)

Volunteers

The volunteer division hosted 3 major volunteer events to help restore and maintain our parks.

- Impact the Rock
 - Reservoir Park
 - Benny Craig Park & Fourche Creek
 - Rock Creek Trail
- ReLeaf Rock Creek Trail
- National Public Lands Day at Hindman Park

Marathon

Registration in 2025 for all races is up 5%
through November 2025 compared to Jan. -
Nov. of 2024.

Little Rock Marathon partnered with
Therapeutic Recreation to host the first All
Abilities Marathon in 2025.

Marketing

The Marketing division placed an emphasis on improving the quality, frequency, and relevancy of social media posts in 2025, which resulted in:

- 2 Million Views on Posts
- 23.3k Post Interactions
- 18,100 Followers (+23% vs. 2024)
